The Secretary to the Government of Mysore
General and Revenue departments
Through the Superintendent Government
Printing in Mysore.

Sir,

I most respectfully beg that the Government may be kind enough to sanction the payment to me of a second advance of my pay for Six months viz. Rs 72 to enable me to complete my house No. 128 in the Malleswaram Extension.

2. The need for the speedy completion of my house has been very greatly felt by me, especially because of the damages that have been caused by the heavy rains to the previous building and the danger likely to result therefrom and I beg that you may be pleased to sanction the advance referred to above at an early date.

I beg to state here that the first advance of one year's pay previously drawn by me on account of the same house has been fully paid up.

Report on the inspection of the house of B. Lakshminaraciniah, Clerk, Government Printing Office, situated in Mallesvaram Extension, No 128.

Serial 3

I inspected this house on the evening of the 20th December 1903, and the District Subovenseer accompanied me to aid me in the valuation of the house and other technical matters.

From this Treasury Office records it is seen that the first advance has been fully paid up, the original advance being Rs 144/-.

The valuation of the house as it stands at present is nearly Rs 700/- according to the estimation of the Subovenseer and myself.

The original and approved plan was not submitted.

The proposals of the owner with regard to the improvements of his building are the addition 2 rooms and plastering.

The District Subovenseer thinks that these could be effected at a cost of Rs 200/-.

The addition of two rooms seems required to the owner's needs as the house is very small and accommodation in consequence very much restricted.

Under these circumstances the second

advances may, it is submitted, be sanctioned.
